

Beaver Day

Camp Maubila

May 2, 2020

Corporate Sponsor

Beaver Day is a day for scouters to help provide service at Camp Maubila. This event is open to all Scouters in the Mobile Area Council. This will be a day of fun, fellowship, and service. There will be projects for all ages; Cub Scouts, Scouts BSA, Explorers, and Venturing.

A hot lunch will be provided.

We will meet at 8am at the flag poles in front of the dining hall and end the day no later than 4pm.

This is a Saturday only event, however any units participating in the event and wishing to campout may do so at no cost. The camp will be opening Friday evening at 6pm and closing 10am Sunday morning. Everyone needs to bring their own gloves, safety glasses, and any other safety equipment.

To help us insure we have everything we need to make this event successful, we ask that everyone turn in the form below to the Scout Office by April 17, 2020

If you have any questions about this event please contact John Myers 251-232-4871.
